Dear Parents and Carers,

The production of The Jungle Book was amazing. Every year we are delighted with how all the children, and especially the year sixes, work hard to show off their talents and work together. All the team have worked very hard for this to happen and special thanks must go to Mrs Sweeney, the producer, choreographer and director. She inspires the children to sing and act to a very high standard.

We appreciate that junior children in years 3, 4, 5 support the production by coming to the evening performances and dancing and singing as a class and ensemble. It is a real team effort.

Mrs Baker, Mrs Spearman Oxx and Mrs Saunders have worked hard with the class as they have rehearsed and supported year 6 all year to ensure they are ready for their next phase of education. We are very proud of Otters and wish them all the best in their new schools.

We are delighted to announce the year 6 winners of our school cups:

Glenys Mason Creativity Cup – Haydn and Pollyanna  
Stephen Romaine Values Cup – Grace and Archie  
Smith Sports Trophy – Georgina and Harry  
Outstanding performance in The Jungle Book – Hattie R

At the end of a school year we award special certificates to children who have really used a positive growth mindset in their learning across the year. The class contribution award is voted on by children for their class.

With a total of 59 young people competing in local inter-school competitions this year, we are extremely proud of our pupils for their dedication to all aspects of school sport, including those young volunteers, leaders and officials who made our competitions possible.

As part of our application, we were asked to fulfil criteria in the areas of participation, competition, workforce and clubs, and we are pleased that the hard work of everyone at our school has been rewarded this year.
